

RES Canada has solicited pricing for various stages of construction for the Greenwich Lake Wind Project located near Thunder Bay. As none of the contracts have been awarded, we would like to offer local parties who are interested in providing pricing to do so. We have set up an ftp site where all bid documents may be accessed. Please direct them to this site to obtain all pertinent specifications and details regarding the project.

Log in details are:

<ftp://ftp.res-americas.com>

User name: **GreenwichTender**

Password: **greenbid1**

Please note that the user name and password are case sensitive.

Please return all proposals to [Kirby.Toberman@res-americas.com](mailto:Kirby.Toberman@res-americas.com) and [Leasa.Lennox@res-americas.com](mailto:Leasa.Lennox@res-americas.com) .

Should you have any questions or need clarifications, please contact Leasa Lennox, Project Manager via email ([Leasa.Lennox@res-americas.com](mailto:Leasa.Lennox@res-americas.com)) or telephone (US: 512-569-2860, Canada: 705-737-7885) and a prompt response will be provided.
